Versatile Top Load Case Packer for Wine, Beer & Spirits

ALEXANDRIA, MN. (January 31, 2017) – The Douglas TriVex® RLi top loader and sealer offers the wine, beer & spirits market versatility with high speed automation. This integrated solution recently doubled a customer's process speed and can run seven bottle sizes; including common sizes such as 200ml, 500ml and 1.5L. The bladder-controlled end effector and funnel grid system provide product stability while an automated flap control system for re-shipper RSC cases feeds the case into the loader at 37 cases per minute.

About Douglas Machine Inc.

Founded in 1964, Douglas Machine Inc. is a global leader in automated secondary packaging solutions for paperboard, corrugated and shrink film. The company specializes in the design and manufacture of cartoners, sleeves, case/tray packers, shrink wrap systems and palletizers. Based in Alexandria, MN, Douglas is an employee-owned company that has installed more than 7,000 machines in 30 countries. For more information, visit www.douglas-machine.com.
